

## Jira Files :

Team ID	PNT2022TMID52914
Project Name	A Gesture - Based Tool for Sterile Browsing of Radiology Images

The image shows the Jira Software dashboard for the project 'IBM SSN'. The dashboard includes a search bar, a 'Create' button, and a 'Does your team need more from Jira? Get a free trial of our Standard plan.' banner. The main content area is divided into three columns: 'TO DO', 'IN PROGRESS', and 'DONE 12 ISSUES'. The 'TO DO' column has a '+ Create issue' button. The 'IN PROGRESS' column is empty. The 'DONE 12 ISSUES' column lists the following tasks with their completion status:

- Gather the dataset** (IMAGE PREPROCESSING)
  - IS-2 **✓**
- Preprocess the data** (IMAGE PREPROCESSING)
  - IS-3 **✓**
- Import Libraries** (MODEL BUILDING)
  - IS-5 **✓**
- Initialize model** (MODEL BUILDING)
  - IS-6 **✓**

The right sidebar shows the user's account information: Bharath Srivathsan D, bharath19016@ece.ssn.edu.in, and a 'Manage account' link. Below this is an 'UPGRADE' section with a 'Try the Standard plan FREE 14-DAY TRIAL' button. At the bottom, there is an 'Open Quickstart' link and a 'Log out' button.
